

What does it cost to join the Rotary Club of Greater Huntsville?

RCGH has two membership options to meet the needs of any potential Rotarian: our Standard Membership option and a Flex Membership option.

The Standard Membership Option due's structure includes financial support to Rotary International and to our club foundation/fundraising efforts that help projects that affect our community and other areas of the world. The cost of lunch IS INCLUDED in the quarterly dues.

The Flex Membership Option is ideal for people who want to be Rotarians, participate in service projects and social events*, and be a part of all that Rotary offers, but cannot attend meetings. The cost of lunch is NOT included in quarterly dues. Flex members who wish to attend a lunch meeting in-person or an evening social will have a \$30.00 charge to cover lunch cost.

*Evening socials are in lieu of daytime lunch meetings. Cost of food at these events is the same rate as lunches.
