

**13th Annual District 6860
Rotary Youth Leadership Awards Program
January 24-26, 2019
U.S. Space and Rocket Center
Huntsville, Alabama**

The Rotary Youth Leadership Awards (RYLA) Program is an intensive leadership training program for high school students. The basics of the RYLA Program are discussed below. If you have additional questions or concerns, please contact your local Rotary Club.

What: RYLA 2019 is a program sponsored by Rotary International, and conducted by the Local Rotary Districts on a regional basis. Rotary District 6860 and the Rotary Clubs of Huntsville, Greater Huntsville and Madison and the Rotaract of Huntsville, plan and conduct the annual North Alabama RYLA Program in partnership with the US Space and Rocket Center. Individual Rotary Clubs solicit applicants and select those they wish to sponsor. The three-day program consists of lectures and discussions with skilled and prominent leaders, group and team building activities, leadership training, fellowship, good food, and of course a MINI-SPACE CAMP!

Who: Accomplished High School sophomore, junior and senior students may apply and be considered. Participants are selected on the basis of their academic achievements, school and community service activities, their hobbies and recreational interests and a short paragraph about, "Why I want to attend RYLA". Neatness and accuracy matter. The sponsoring Rotary Club will select those who attend. Rotary members will be present throughout the weekend along with well-trained employees and counselors of the U.S. Space and Rocket Center to supervise.

Where: RYLA 2019 will take place at the U.S. Space and Rocket Center in Huntsville, Alabama. Students will stay at the center in "camp-type" housing with 24-hour supervision provided by staff counselors. Visit www.spacecamp.com to view all that U.S. Space and Rocket Center offers.

When: January 24-26, 2019. Participants are to arrive on Thursday afternoon for check-in and depart Saturday afternoon, following the graduation ceremony. Thursday evening and Friday, students will focus on leadership training, team building and Rotary information. Saturday consists of "Mini-Space Camp", Rotary information and feedback, followed by the graduation ceremony. **It is mandatory that students stay for the full Program. No exceptions!**

Why: RYLA offers young future leaders an opportunity to meet in an exciting setting to share fellowship, develop leadership skills and learn decision making skills based on the Rotary Four-Way Test: **1) Is it the truth? 2) Is it fair for all concerned? 3) Will it build goodwill and better friendships? 4) Will it be beneficial to all concerned?**

How: To apply contact the Club President or RYLA Coordinator at your local Rotary Club. To find your local Rotary Club visit www.rotary6860.org

Cost: There are no fees for the student. The \$275 registration fee will be paid by the sponsoring Rotary Club.

Deadline: The **hard deadline** for students to apply to this year's RYLA conference is December 7, 2018.

Questions: Contact your local Rotary Club RYLA Coordinator or email ryla6860@gmail.com
